

Welcome

This boutique law firm specializes in offering legal services to assist local and international corporations and individuals. We provide counseling that is based on international standards of quality and reflects almost four decades of experience gained in the public service and private sector in The Bahamas and The United States and the private sector in Jamaica. We are honoured and privileged to have a former member of the judiciary as a practicing member of the firm and we are unique in offering practitioner services utilizing that judicial experience.

With this international and multicultural background we are able to apply diverse experiences and perspectives to achieve legal solutions which meet and often exceed our clients' requirements. We are experienced in dealing with matters in the Magistrates' Courts, Supreme Court, Industrial Tribunal and Court of Appeal. We are also experienced in drafting contracts, conveyances, leases, mortgages and a variety of deeds. A summary of our areas of practice are found on additional pages on this site. If you need assistance in a practice area that is not mentioned please contact us to discuss the full range of our services.
